Hi Meryl,

I just got in the office today. Wednesday is my Monday. I want to thank you for the wonderful segment this past Saturday. Jon and Mikki were wonderful and Rory had a lot of fun doing the interview. The pieces Jon brought were absolutely beautiful too. He ended up bringing the 5 foot tall dolphin piece as well as some smaller pieces. Thank you for making this happen.

You know my number and email, feel free to contact me for any other segment ideas in the future.

Cheers,  
Ruby
